

GENERAL PRACTICE NURSING FELLOWSHIP OFFER—Info for General Practice

Who is the course for?

NMC registered nurses who are newly qualified within last 12 months holding a salaried role within general practice.

What is expected of the practice?

- * A supportive environment to allow your nurse to participate in the programme
- * Protected time to undertake fellowship related CPD sessions
- * Release your nurse for PCN working portfolio opportunities

Why should I send my nurse on this course?

- * Assists with their transition from training to fully embedded roles
- * Builds confidence in delivery of primary care
- * Supports practices to grow and retain your nursing team
- * Mentoring provided for new to practice nurses
- * Reimbursement of £73/session per year

FULL PROGRAMME DETAILS: <https://www.england.nhs.uk/wp-content/uploads/2020/08/generalpractice-fellowships-2020-21-guidance.pdf>

Nurses new to practice are eligible to access the foundation in general practice nursing course.
